

Go Green, Give Trees

Introducing Tree Cards

Help combat global warming and the destruction of the earth's trees and forests. Identify your brand as a leader in the GREEN movement, all while rewarding your customers with a feel good, Earth-saving incentive. After receiving a recycled paper or seeded paper gift card branded with your logo, Seed The Future allows consumers to plant a tree in a re-forestation project.

HOW IT WORKS:

PRICING:

QUANTITY	500	1000	2500	5000
